PIE QUESTION UP FIRST

Board of Control Must First Give Out Few Jobs.

NO SECRETARY YET SELECTED

Arthur Howard Temporarily Chosen Stenographer, but No Position Permanently Disposed of by Members.

(From a Staff Correspondent.)

LINCOLN, June 3.—(Special).—No secretary or other members of the office force of the board of control may be selected for a while.

Judge Howard Kennedy of Omaha, arrived today and with the other members of the board have been busy arranging the desks to suit them.

Judge Holcomb, president of the board, said this afternoon that Arthur Howard, one of the clerks serving under Chief Clerk Richmond in the house during the last session of the legislature, who has been doing some stenographic work for the board during the last two weeks, will act as stenographer and general utility man for a month at a salary of \$85 a month.

It is not beyond the possibilities that he may be retained by the board after it organizes.

The secretaryship seems to be between Leo Mathews, one of the assistant clerks of the house, who is said to have the anti-Bryan backing, and C. S. Clayton, for two sessions clerk of the finance committee of the house.

There are many other applicants for the minor positions and all have backing sufficient to make the selections decidedly a problem for the board to solve.

NATIONAL BUSINESS MEN'S ASSOCIATION ON THE CARPET

(From a Staff Correspondent.)

LINCOLN, June 3.—(Special).—The National Business Men's association of Omaha will have to show State Auditor Edward and the insurance department of the state that it should not go out of business.

An inspection by Actuary John Gilchrist brought a report that the association, which is an accident insurance corporation, has assets of between \$1,200 and \$1,400, while its liabilities are about twice its assets.

The report was gone over carefully this morning by Auditor Howard and Insurance Commissioner Clancy, with the result that a notice was sent to John Koutsky, president, and J. L. Martin, secretary of the company, to appear before the department and make a showing why a receiver for the company should not be appointed.

Both men came to Lincoln this afternoon and appeared before Mr. Howard and Mr. Clancy, who announced that the matter had been taken under advisement until morning.

MRS. JOHN GILMORE OF CALLAWAY BURNED TO DEATH

(Special).

While filling a heated gasoline iron Saturday evening at her home, southwest of this city, Mrs. John Gilmore was burned to death. She attempted to throw the iron out of the door, when the wind blew the flame back, igniting her clothing. A small son attempted to help his mother, but she broke away and jumped into the water tank. The accident happened about 7 o'clock in the evening and she died about 3 a. m. Sunday. All of the clothing except her shoes were burned from her body. Funeral services were held from the home at 11 a. m. Monday, conducted by Rev. Frank Drum, and interment made in the Lodi cemetery.

PIPER SAYS BERT DAVIS WAS NOT OUT ON PAROLE

(From a Staff Correspondent.)

LINCOLN, June 3.—(Special).—The report that Bert Davis, who was apprehended near Dakota City a few days ago and sent to the penitentiary for assault on a woman of that place, was a prisoner under parole at the time the crime was committed, is disputed by Secretary Piper of the Prison board. "Davis was sent up for robbery," said Mr. Piper, "and was given a five-year sentence. He had served his time and was discharged on March 25 of this year."

Nebraska

General Hall Says Guard Maneuvers Will Cost \$30,000

(From a Staff Correspondent.)

LINCOLN, June 3.—(Special).—Adjutant General Hall estimates the cost of holding the annual maneuvers of the Nebraska National Guard this year at about \$30,000, considerably less than on most of the previous years, due to the fact that two battalions of the Guard will march to the scene of the maneuvers instead of being taken by train.

There will be 1,374 men entitled to take part in the encampment, a larger number than in any previous year. The nearest to that number which has ever taken part was in 1911, when 1,170 men were present.

A plan of the maneuvers has been prepared and is in the hands of the printer showing the ground over which the troops will march.

A new company of the Guard will soon be mustered in at Davenport. The roster already contains the names of nearly seventy men.

General Hall went to Berlin today to look after the condition of tents loaned to people who were deprived of their homes on account of the train.

A copy of a letter enclosed to Colonel Ayer, who has been inspecting guard headquarters, with his report to the War department on the condition of the Nebraska Guard, was received by General Hall this morning. The letter calls attention to the department to the handicap which the Nebraska Guard has had to encounter at a time when inspections were on, in having to do service during the term at Omaha, which to a great extent interfered with the assembling of the companies at their own headquarters and the attendance where inspections had.

He recommends that these things be taken into consideration when reports are gone over. He speaks very highly of the present methods in vogue at state headquarters and commends General Hall for his effectiveness and all around work during the first six months of his administration.

RECEIVER APPOINTED FOR NORFOLK LIGHT COMPANY

(Special).

MADISON, Neb., June 3.—(Special).—The following attachment suits were filed in the district court, Madison county, Nebraska, Saturday against the Iowa-Nebraska Public Service company of Norfolk, Neb.: The Enterprise Coal Mining company for \$1,538.76; the Central Electric company for \$1,375; the Nebraska National bank, Norfolk, to recover on notes for \$3,308; the Federal Sign system for \$2,007; Walter M. Palmer, administrator, to recover damages of \$12,000 for death of child caused by live wire at Meadow Grove, Neb. (The court has allowed this order of attachment in the sum of \$5,000), and the Mid-West Electric company for \$5,722.87.

LEADING SOCIETY GIRL JUNE BRIDE IN FAIRBURY

(Special).

FAIRBURY, Neb., June 3.—(Special).—The first June wedding here was solemnized at the home of Mr. and Mrs. George Tolleth Monday when their daughter, Miss Mary, was married to F. W. Bylsby of this city. Rev. S. E. Megaw of the Presbyterian church officiated. The couple was unattended. The bride was in white marquisette and carried a bouquet of bride's roses. Mrs. F. F. Whitmore of Topeka, Kan., sang before the service. The bride is a popular society girl of Fairbury and has been a prominent musician for years. She graduated from the high school in the class of 1899. The groom is a businessman of this city. Mr. and Mrs. Bylsby will make their home in Fairbury.

Fairbury lodge No. 35 Ancient Free and Accepted Masons, held the regular election last night and the following officers were chosen for this year: Master, Charles L. Bittzer; senior warden, E. D. Baasdale; junior warden, Francis Hedger; treasurer, S. M. Bailey; secretary, F. W. Mason. These officers will be installed at a meeting in the near future.

Notes from Beatrice.

(Special).

BEATRICE, Neb., June 3.—(Special).—The Gage county eighth grade graduating exercises were held yesterday afternoon at the high school and the diplomas were presented by Miss Jessie Pyrtle, county superintendent. Rev. C. F. Stevens and Miss Anna Day, former county superintendent, delivered addresses. A spelling contest was held and eighteen out of forty-nine contestants spelled 300 words correctly. The leaders were from the rural schools.

Frank, the 12-year-old son of Samuel Salts, broke his hip yesterday by falling from a hayrack at his home in Glenover. Oliver Townsend yesterday received a telegram announcing the death of his sister, Mrs. Jennie Charles, who was among the first to ride on a boat in the Missouri river from Nebraska City north to Sioux City.

News Notes of Wausa.

(Special).

WAUSA, Neb., June 3.—(Special).—Hjalmar Carlson, a young farmer of this vicinity, suffered a compound fracture of his right leg Sunday afternoon, when the team he was driving ran away, throwing him to the ground and badly wrecking the vehicle. The limb was broken just above the ankle.

Mrs. Walter Rosenbach died at her home southwest of Wausa Saturday afternoon after a short illness. She was 17 years of age and had been married but a few months. The funeral services will be held Tuesday afternoon.

Nebraska

MAY INVOKE SHELTON LAW

Six Hundred Thousand in Outstanding State Warrants.

APPROPRIATIONS RUN HIGH

State Board Also Invests More Than Usual in Bonds, Which, However, Draw Higher Rate of Interest Than Warrants.

(From a Staff Correspondent.)

LINCOLN, June 3.—(Special).—According to the report of State Treasurer George, published yesterday, there are outstanding warrants amounting to about \$600,000. This is caused by the increased appropriations of the last legislature and may be sufficient inducement to the State Board of Assessment to call into use the Sheldon law, passed several years ago, providing that a one-mill levy may be made for the purpose of paying off outstanding warrants. Once before the law had been called into use in order to pay off an outstanding debt of interest-bearing warrants amounting to about \$2,000,000.

The legislature appropriated large amounts in excess of the usual appropriations and thus caught the state board unprepared. The state board also has invested largely in other bonds. The latter cannot be considered as available, as the bonds draw all the way from 5 to 6 per cent, while the warrants registered draw only 4 per cent interest.

RECEIVER APPOINTED FOR NORFOLK LIGHT COMPANY

(Special).

MADISON, Neb., June 3.—(Special).—The following attachment suits were filed in the district court, Madison county, Nebraska, Saturday against the Iowa-Nebraska Public Service company of Norfolk, Neb.: The Enterprise Coal Mining company for \$1,538.76; the Central Electric company for \$1,375; the Nebraska National bank, Norfolk, to recover on notes for \$3,308; the Federal Sign system for \$2,007; Walter M. Palmer, administrator, to recover damages of \$12,000 for death of child caused by live wire at Meadow Grove, Neb. (The court has allowed this order of attachment in the sum of \$5,000), and the Mid-West Electric company for \$5,722.87.

The Mid-West Electric company also asked the court to appoint a receiver and the court has ordered that George W. Johnston, president of the Mid-West Electric company, be and is appointed receiver for all the defendant's creditors, bond for \$5,000 for the Mid-West Electric company being approved and bond of George W. Johnston, receiver, for \$5,000 being also approved.

Notes from Beatrice.

Nebraska Power Company Secures Time Extension

(From a Staff Correspondent.)

LINCOLN, June 3.—(Special).—At a meeting of the State Board of Irrigation this morning the Nebraska Power company, represented by the Babcock interests, was granted an extension of two years for the completion of the power plant on the Loup river, or at least that such progress should be made that the board would be satisfied that an effort was being made to make good. This follows the order of mandamus granted by District Judge Cornish. The board gave an extra six months on the understanding that the company should begin at once and push the work rapidly.

RAILWAY COMMISSION TAKES UP BLUE SKY ENFORCEMENT

(From a Staff Correspondent.)

LINCOLN, June 3.—(Special).—The "blue sky" law provides that no companies may sell stock of a less value than \$100 per share. Two companies have already been discovered which are selling stock in shares of \$1 each. One of these companies is an oil concern and the other a mining scheme.

The railway commission is preparing blanks to be used in the administration of the law similar to those used in Kansas, which has had the law for two years. Mr. Reed, who will be placed in charge of the department, is already looking up the workings of the law there and received some hints as to its enforcement which will be of service in the enforcement of the law here.

WIDOW AND BROTHER BURN TO DEATH AT STOCKVILLE

(Special).

STOCKVILLE, Neb., June 3.—(Special).—The lives of Mrs. Lena Rogers, widow, and her young brother were lost in a fire which completely burned their home the latter part of last week. The residence is somewhat off the public road and no one knew of the fire until Sunday, when the residence was found to be completely destroyed, and had been for some time, as the ashes were cold.

Mrs. Rogers was last seen Tuesday, May 27, when she informed a neighbor woman that she expected to wash the next day. The washing was found hanging on the line.

Mrs. Lena Rogers was the widow of the late Hans C. Rogers, who died in September last.

HOLLENBECK SENTENCES DEGER TO PENITENTIARY

(Special).

FREMONT, Neb., June 3.—In district court Judge Hollenbeck sentenced Frank Deger to from one to two years in the penitentiary for the Alfalfa Products company robbery. On motion of attorneys for the Clark Implement company of Council Bluffs, former County Attorney J. C. Cook was forbidden to represent James Geason, sr., and James Geason, jr., defendants in a suit involving mortgaged property, on the ground that Cook had been furnished state's evidence against the Geasons while he was county attorney.

BIG PLUM GIVEN METCALFE

servants at Ancon on a hill above the Pacific. William M. Thatcher of Kentucky is the present incumbent. Colonel Goethals is chairman of the Panama commission, which has seven members, all army officers with one exception. The civilian member is head of the civil government. The post is looked upon as one of the best at the disposal of the president. There is little likelihood that Mr. Metcalfe's confirmation will be opposed by Senator Hitchcock. The senator does not wish it is understood, to interfere in appointments of this character, which are the peculiar province of cabinet members and have no special bearing upon factional differences in Nebraska.

clinch on the same job. Mr. Cory is also endorsed by the chairman of Clay county and by various members of the state legislature.

Western Matters.

The Interstate Commerce commission has granted authority to apply a rate of 25 cents on brewers' rice from Kansas City to Omaha and 25 cents to Sioux City without observing the long and short haul provision. This rate is to apply pending further investigation of the commission.

Max Orkin of Orkin Brothers, Omaha, arrived in Washington today and was a guest of Senator Hitchcock at luncheon in the senate restaurant. Mr. Orkin is on his way to Cleveland, O.

Nebraska democrats were given the following committee assignments today: Lobeck, chairman of expenditures in Treasury department, war claims and reform in civil service; Stephens, interstate and foreign commerce; McGuire, agriculture.

Committee assignments for Iowa democrats: Connolly, military affairs; Kirkpatrick, enrolled bills, coinage, pensions; Pepper, expenditures in Postoffice department, war claims, industrial arts and expostions.

Money Too Freely Spent.

"I believe also that there has been a reckless expenditure of funds in the Navy department. I do not want to be understood as opposed to an efficient, well equipped navy, but scanning the budget of expenditures in this department as well as in other departments of government it seems to me that the expenditure have been more recklessly made than they would have been had these funds been a direct tax against the people."

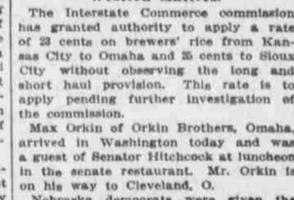

"Now that it has been suggested that the government be made independent of the steel trust and that the cost of production be reduced, congress should act at once. It is a good business proposition. I do not, however, think that long drawn out consideration of the plan is necessary. I want to see these reforms accomplished and I felt that the introduction of my resolution was necessary to give the movement impetus."

Copy Endorsed.

Senator Hitchcock has received many letters endorsing M. L. Cory, of Clay Center, for solicitor of the treasury department, the position now occupied by W. T. Thompson, of Central City. Among those who have asked for Mr. Cory's appointment is W. H. Thompson of
